

Operations Manager for Clipper Bulk Parcel Service, Hong Kong

As our new Operations Manager in Hong Kong, you will be part of a strong, highly skilled and experienced team of Bulk Operators – with colleague Operators in Hong Kong, Singapore, Brazil, USA and Denmark.

Our vessels are traded worldwide, preferably on Voyage Charters, and your dedicated work and decisions will have a direct impact on the bottom line. You, and the Operations team, are considered “key persons” in our endeavors of optimizing the results.

We expect your professional experience to be within Bulk and/or Project/Parcel Operations, and personally you:

PASSION AND TALENT FOR OPERATIONS

- Have a commercial mindset, that shows when you strive to impact the results of all the fixtures/voyages you operate.
- Are well-organized with a strong overview of all your tasks.
- Can commit to our values: Dynamic, dependable, innovative and hands-on.
- Are a team player that contribute to knowledge sharing across the company.

In the position in our Operations team in Hong Kong you will report to the Senior Operations Manager/Team Leader and have an important role in the day to day Operations of the vessels in Clipper Bulk Parcel Service loading out of China and operating world-wide.

As an experienced Bulk and/or Project/Parcel cargo Operator “you know the drill”; your responsibilities will be to:

IMPACT ON THE BOTTOM LINE

- Have close personal contact with our Charterers and Shipowners as well as with Agents, Captains, Port Captains, Surveyors and other service providers worldwide.
- Work closely with our Chartering Department as well as our in-house Operations Control, Insurance & Claims, Bunkers, Performance monitoring and Technical departments.
- Ensure optimal operations and create value for Clipper and our customers.

We offer a challenging and independent job, a good working environment, a competitive compensation package, and good working conditions in modern office facilities.

Please do not hesitate to contact Clipper HR, corp.people@clipper-group.com, if you have any questions to the position or the recruitment process.

To apply for the position, [please submit your application here no later than 16 June 2017.](#)

Clipper is an industry leader in dry-bulk with a modern fleet of approximately 150 handysize and supramax vessels, transporting a wide range of cargo from dry bulk to break bulk. Our in-house technical management department manages around 30 vessels with crewing, long-term maintenance planning, etc. In addition to bulk, we have strong complementary businesses in the ro-ro and ferries segments. Clipper is commercially headquartered in Copenhagen, employs a staff of 200 on shore, and has offices in 9 countries. We are a global workplace with strong values, and we encourage diversity at all levels of the organization. Find out more at clipper-group.com.
